To Whom It May Concern,

This letter serves as formal notification that the alleged debt referenced above is time-barred under the applicable Pennsylvania Statute of Limitations, 42 Pa.C.S. § 5525(a), which establishes a strict four-year limitation period for actions upon a contract, obligation, or liability founded upon a writing.

According to your records and our verified transaction history, the cause of action accrued on
```

{record['last_payment_date']}. The statutory four-year period expired on {record['sol_expiration_date']}.

Legal Demands & Statutory Mandates:
1. CEASE AND DESIST: Pursuant to 15 U.S.C. § 1692c(c) (FDCPA) and the Pennsylvania Fair Credit Extension Uniformity Act (73 P.S. § 2270.4), you are hereby directed to cease all further communication regarding this debt, including telephonic calls, written demands, and electronic contacts.
2. NO PAYMENT REVIVAL ACKNOWLEDGMENT: Be advised that no payment, promise of payment, or acknowledgment of this debt will be made. Under Pennsylvania law, unwritten promises do not toll or revive the statutory period after expiration.
3. CREDIT REPORTING WARNING: Threatening or pursuing legal action, or placing/maintaining an inaccurate trade line on a credit report for a time-barred debt without clear disclosure of its unenforceable status, constitutes a deceptive trade practice under 73 P.S. § 201-2 (PA UTPCPL) and 15 U.S.C. § 1692e.

If you contend that the statute of limitations has not expired, provide written verification within thirty (30) days detailing the specific legal basis and documented tolling events. Absent such proof, confirm in writing that this account is permanently closed and returned to zero balance.

Sincerely,

Authorized Representative / Consumer
